

CHICKEN N PICKLE®

Real Estate Expansion Internship and Professional Development Program

The idea of Chicken N Pickle was conceived in the Grand Cayman Islands over cold beer and jerk chicken. One man's love for delicious, wood-fired chicken and the game of pickleball led to the 2016 founding of Chicken N Pickle's flagship location in Kansas City, Missouri and has quickly developed into a wildly popular destination for food and fun in other markets. Our mission is to provide an atmosphere that fosters fun, friendship, and community.

Our culture imperative to our community is to give back, with many philanthropic events and service-oriented endeavors to strengthen our neighborhood and beyond. As a Kansas City-born business, we feel strongly about contributing to the community that raised us.
